UNITED STATES DISTRICT COURT

DISTRICT OF OREGON

UNITED STATES OF AMERICA,

Case No. 3:14-CR-00275-JO

v.

**GOVERNMENT'S PROPOSED
VOIR DIRE**

MARK DOUGLAS GILL,

Defendant.

The United States of America, by and through S. Amanda Marshall, United States Attorney for the District of Oregon, and Leah K. Bolstad, Assistant United States Attorney, hereby requests the court to ask prospective jurors in the above-captioned case the standard questions regarding their backgrounds. In addition, the United States requests the following questions:

1. Do you have any experiences with law enforcement officers, negative or positive, that would affect your ability to listen to and evaluate the evidence in this case that will include testimony from police officers?
2. The defendant is charged with violations of federal law involving methamphetamine distribution. Is there anything about the nature of this offense that would cause you difficulty in serving as a fair and impartial juror?

3. Have you or any member of your family or any of your friends had any experience with methamphetamine or another controlled substance that would affect your ability to be fair and impartial toward the defendant or toward the United States in this case?

4. Do you have any moral, religious or ethical beliefs that would make it more difficult for you to sit as a juror in this case, given that this is a criminal prosecution involving drugs?

DATED this 12th day of November, 2014.

Respectfully submitted,

S. AMANDA MARSHALL
United States Attorney
